

WHICH GLO® WHITENING TREATMENTS ARE RIGHT FOR YOU?

In-Office*

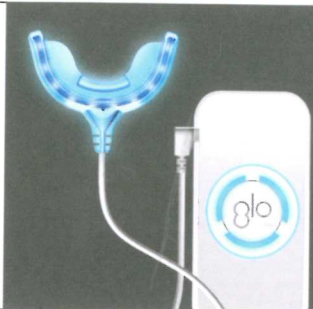

Fast appointments using patented GLO® technology with the most dramatic results and little to no sensitivity.

* You can take home the device for ongoing maintenance.

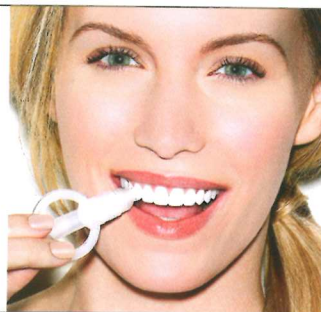

Take-Home Device

Professional GLO® technology in the comfort of your own home to use alone or after in-office whitening for ongoing maintenance.

Pro To Go

The newest and easiest way to whiten on the go. Brush on to whiten anytime, anywhere. No strips, no trays, no sensitivity.

Ask your dental professional which
GLO Science™ treatment is right for you.

GLO Science™
supports the GLO® Good Foundation

GLO Science™ founders Dr. Jonathan B. Levine and Stacey Levine started the GLO® Good foundation with a mission to build oral health initiatives in underserved populations and end the global oral health crisis. GLO® Good provides education, tools and treatment, mentorship and empowerment giving everyone access to a healthy smile.

Find out how to become involved, and join your GLO® dentist on the mission to make more people smile, period.
